Speck Presidio Clear MacBook Case

Superior slim MacBook case protects against drops up to 4 feet. Presidio Clear has a dual-layer design with a band of shock-absorbing Impactium Clear material around the perimeter. The seamless two-piece design is easy to install and fits closely to protect against drops, impacts, and scratches. A raised edge grip on the top and bottom pieces of Presidio Clear for MacBook provides a secure, comfortable hold. A raised edge grip on the top and bottom pieces of Presidio Clear for MacBook provides a secure, comfortable hold. The case's clear style allows the beauty of a MacBook to show through and resists UV yellowing. This lightweight, slim hard-shell MacBook case provides complete access to ports, speakers and vents access. Rubberized feet on the bottom case keep the MacBook from sliding around on smooth surfaces.

Product Features:
